REPORT OF THE REVISEUR D'ENTREPRISES AGREE

Report on the audit of the annual accounts

Opinion

We have audited the annual accounts of Eurobank Fund Management Company (Luxembourg) S.A. (the "Company"), which comprise the balance sheet as at 31 December 2021, and the profit and loss account for the year then ended, and notes to the annual accounts, including a summary of significant accounting policies.

In our opinion, the accompanying annual accounts give a true and fair view of the financial position of the Company as at 31 December 2021 and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts.

Basis for opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession ("Law of 23 July 2016") and with International Standards on Auditing ("ISAs") as adopted for Luxembourg by the Commission de Surveillance du Secteur Financier ("CSSF"). Our responsibilities under the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the « Responsibilities of "réviseur d'entreprises agréé" for the audit of the annual accounts » section of our report. We are also independent of the Company in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants ("IESBA Code") as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the annual accounts, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Board of Directors is responsible for the other information. The other information comprises the information stated in the management report but does not include the annual accounts and our report of the "réviseur d'entreprises agréé" thereon.

Our opinion on the annual accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the annual accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors for the annual accounts

The Board of Directors is responsible for the preparation and fair presentation of the annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts, and for such internal control as the Board of Directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the réviseur d'entreprises agréé for the audit of the annual accounts

The objectives of our audit are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of the "réviseur d'entreprises agréé" that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the "réviseur d'entreprises agréé" to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the "réviseur d'entreprises agréé". However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

The management report is consistent with the annual accounts and has been prepared in accordance with applicable legal requirements.

Notes to the annual accounts

1. General Information

Eurobank Fund Management Company (Luxembourg) S.A. (Eurobank FMC-LUX in short) (the "Company"), a public limited company ("Société Anonyme") was incorporated in Luxembourg on March 22, 2006 and organized under chapter 15 of the 2010 Law for an unlimited period.

The registered office of the Company is established in Luxembourg, 534, rue de Neudorf L-2220 Luxembourg.

The Company's financial year starts on January 1st and ends on December 31st of each year.

The main activity of the Company is to provide management, administration and marketing services to one or more Luxembourg and/or foreign Undertaking(s) for Collective Investment in Transferable Securities ("UCITS") and to other Luxembourg and/or foreign Undertakings for Collective Investment (UCIs).

Eurobank Fund Management Company (Luxembourg) S.A. is also included in the consolidated annual accounts of Eurobank S.A., incorporated under the Greek legislation, forming at once the largest and the smallest body of undertakings of which the Company forms a part as a direct/indirect subsidiary undertaking. Eurobank S.A has its registered office at 8, Othonos Street, 105 57, Greece, where the consolidated annual accounts are available.

2. Significant accounting policies

2.1 General principles

The annual accounts have been prepared in accordance with Luxembourg legal and regulatory requirements relating to the preparation of the annual accounts. Accounting policies and valuation rules are, besides the ones laid down by the Law of 19 December 2002, as amended, determined and applied by the Board of Directors. The annual accounts have been prepared on a going concern basis.

2.2 Foreign currency translation

The Company maintains its books and records in Euro ("EUR") and the annual accounts are expressed in this currency. Cash at bank, transferable securities and other assets and liabilities are translated at the exchange rate effective at the balance sheet date. Transactions in foreign currencies are translated into EUR at the exchange rate prevailing at the date of the transaction. Exchange losses and gains are recorded in the profit and loss account of the year.

2.3 Tangible Fixed Assets

Tangible fixed assets are used by the Company for its own operations. Tangible fixed assets are valued at cost less depreciation to date. Depreciation is calculated on a straight-line basis over the estimated remaining useful life of the assets concerned. The depreciation rates applied and methods are as follows:

	Rate of Depreciation	Depreciation method
Office Furniture	18%	straight line
Office Machinery and Equipment	25%	straight line
Computer Hardware and Software	25%	straight line

2.4 Debtors

Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

2.5 Creditors

Creditors are valued at nominal value.

2.6 Investments

Investments, transferable securities, are valued at the lower of purchase cost including expenses incidental thereto, or at market value. A value adjustment is recorded where the market value is lower than the purchase cost. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply. The market value corresponds to the last available net asset value for the investment funds.

2.7 Provisions

Provisions for liabilities and charges are intended to cover losses or debts for which the nature is clearly defined and, at the date of the balance sheet, are either likely to be incurred or certain to be incurred but uncertain as to their amount or as to the date on which they will arise.
