II. Payment of Debts to Third Parties / Direct Debit (Standing Orders)								
GENERAL INFORMATION								
<ul style="list-style-type: none"> Commission on payments and direct debits is charged per order. For payments of Organizations by credit card via Phone Banking, e-Banking and m-Banking, the pricing is valid, which is mentioned in the Banking Transactions Price List (Commissions and Other Expenses). Payments bearing the indication (e) may be carried out by the holders of e-transactions/ My Advantage Banking on all service channels free of charge depending on the privileges of each package as described in paragraph XIII. Service and Transactions Packages. Direct Debit requires an activated assignment for direct debit for payment of debts to third parties. As regards Legal Entities in particular, it is recommended that it is renewed on an annual basis, along with the relevant legalisation documents. It is recommended that direct debit for payment to third parties is renewed on an annual basis, especially in relation to Legal Entities, including a renewal of legalisation documents.

III. Credit Transfers (Remittances)

GENERAL INFORMATION

Basic Terms Explanation

- **Basic Credit Transfer (BCT)** means any transfer of funds between customer accounts at the Bank and accounts at other banks in Greece or abroad, without any special instructions being given to the Bank.
- Based on **SEPA specifications** BCTs are considered to be credit transfers that meet the following conditions:
 1. The instruction currency and the originator and beneficiary's accounts are in Euro.
 2. The originator and beneficiary's accounts are in IBAN format.
 3. Expenses are marked "SHA".
 4. There are no special instructions for the Bank.
 5. The originator and beneficiary's banks operate in countries which participate in SEPA.
- A credit transfer is finalised as a SEPA transfer when the instruction is executed. Eurobank sends instructions via SEPA provided the specifications are met and, provided the beneficiary's bank participates in SEPA, otherwise Eurobank sends the instructions using an alternative channel.
- **BIC** (Business Identifier Code): an international standardised code that uniquely identifies the Bank anywhere in the world. It is essential to use it to identify the beneficiary's bank.
- **IBAN** (International Bank Account Number): a bank account number which has a fixed number of characters in each country (up to 34), including numbers or capital letters from the Latin alphabet. IBANs in Greece have 27 characters.
- **SHA charges**: the originator pays the originating bank's charges and the beneficiary pays the paying bank's charges. Additional expenses of intermediate banks may be charged to the beneficiary in accordance with the applicable rules. This is the recommended charging method for Basic Credit Transfers.
- **BEN charges**: This is similar to the SHA option except that the originator does not pay charges, all of which are withheld from the amount remitted to the beneficiary. BEN is only available for instructions to non-EEA countries or where the instruction currency is not an EEA country currency.
- **OUR charges**: The originator pays the Eurobank commission and the paying bank's commission.
- **The European Economic Area (EEA)** consists of the following countries:
 - **EU countries**: Austria, Belgium Bulgaria, France, Germany, Cyprus, Denmark, Greece, Estonia, Ireland, Spain, Italy, Croatia, Latvia, Lithuania, Luxembourg, Malta, Finland, the Netherlands, Hungary, Poland, Portugal, Romania, Slovenia, Slovakia, Sweden and the Czech Republic.
 - **The following countries also participate in SEPA**: the UK, Norway, Iceland, Lichtenstein, Switzerland, Monaco, San Marino, Principality of Andorra and Vatican City.
 - **Areas where EU law applies**: Martinique, Guadeloupe, French Guiana, Réunion Island, Gibraltar, the Azores, Madeira, the Canary Islands, the Åland Islands, Mayotte, Saint Barthélemy, Saint Martin, Saint Pierre and Miquelon.

Transaction terms

- Commission is collected in advance and there is no scope for it being returned under any circumstances, irrespective of the outcome of the instruction.
- Expenses are withheld by the Correspondent (up to € 50,00) for outward BCTs in Euro to a non-EEA foreign bank, and in FX to Greek and foreign banks marked BEN/SHA. The amount is withheld from the amount to be remitted.
- The valeur for Euro BCTs is the next working day. For other currencies the valeur is two working days. "Express Transfer" is an exception.
- Incoming BCTs are credited to the beneficiary's account after the relevant cover is received.
- Incoming instructions to pay credit cards are credited free of charge. Instructions must state the card number and name of the card holder as beneficiary.
- Standing credit orders are renewed on an annual basis; as regards Legal Entities in particular, they are renewed whenever the legalisation documents are modified.
- Every FC purchase and sale transaction is subject to commission charges (see Section "Transactions in Foreign Currency").
- Outward BCTs marked (e) can be made by e-transaction / My Advantage Banking plan holders free of charge using all channels.
- Any customers of the Bank in relation to whom the applicable commission charges have been determined by means of a Service Agreement are subject to special charges.

- Remittance instructions are incomplete if:
 1. the beneficiary bank's BIC (which is mandatory) is missing and
 2. there is no IBAN for an EEA-based beneficiary
- Remittance special instructions exist where:
 1. there are special instructions for a third bank.
