

Global Finance Announces the Sustainable Finance Awards by Country, Territory and District 2024

NEW YORK, January 31, 2024 - *Global Finance* has announced its selections for the third annual Sustainable Finance Awards for 2024. Winners have been chosen in 53 countries, territories and districts. Honorees have also been chosen in multiple global and regional categories and are listed in separate press releases available on GFMag.com.

A full report on *Global Finance's* Sustainable Finance Awards 2024 will be published in the March print and digital editions as well as online at GFMag.com. Winners will be honored at *Global Finance's* Investment Bank and Sustainable Finance Awards Ceremony in London. Date and venue TBA.

This awards program recognizes global, regional and local leadership in Sustainable Finance—funding for initiatives designed to mitigate the negative impacts of climate change and help build a more sustainable future for humanity.

“Climate change concerns, regulations and increasing investor awareness have ensured growing demand for sustainable investments,” said *Global Finance* founder and editorial director Joseph Giarraputo. “Innovations in clean technologies, green finance instruments, and data analytics are also making sustainable finance more attractive and accessible, creating new market opportunities for banks.”

Winners were chosen by the editors of *Global Finance* based on entries, which were not required for the country, territory and district awards, as well as independent research. Criteria for evaluation included governance policies and goals as well as measurable achievements in environmental and social sustainability financing. This awards program focuses on activities from January 2023 to December 2023.

Global Finance's awards and recognition programs are the trusted standard of excellence for the financial industry. They are backed by a 37-year history of editorial accuracy and integrity. *Global Finance's* corporate and financial audience relies on these awards because they are credible, reliable and have stood the test of time.

The list of winners of *Global Finance's* Sustainable Finance Awards by country, territory and district 2024 follows.
