Independent auditor's report

To the Members of NEU BG Central Office Ltd (former NEU III Property Holdings Ltd)

Report on the financial statements

We have audited the accompanying financial statements of NEU BG Central Office Ltd (former NEU III Property Holdings Ltd) (the "Company"), which comprise the balance sheet as at 31 December 2013, and the statements of comprehensive income, changes in equity and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Board of Directors' responsibility for the financial statements

The Board of Directors is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and the requirements of the Cyprus Companies Law, Cap. 113, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NEU BG CENTRAL OFFICE LIMITED (former NEUIII PROPERTY HOLDINGS LTD)

Notes to the financial statements

1 General information

Country of incorporation

The Company was incorporated in Cyprus on 8 February 2011 as a private limited liability company in accordance with the provisions of the Cyprus Companies Law, Cap. 113. Its registered office is at 41 Arch. Makariou III Avenue, P.O. Box 1643, Nicosia, Cyprus.

Principal activities

The principal activity of the Company, which is unchanged from last year, is the holding of investments.

2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to the years presented in these financial statements, unless otherwise stated.

Basis of preparation

The financial statements of the Company have been prepared in accordance with International Financial Reporting Standards (IFRS), as adopted by the European Union (EU), and the requirements of the Cyprus Companies Law, Cap. 113. The financial statements have been prepared under the historical cost convention.

As of the date of the authorisation of the financial statements, all International Financial Reporting Standards issued by the International Accounting Standards Board (IASB) that are effective as of 1 January 2013 have been adopted by the EU through the endorsement procedure established by the European Commission.

The preparation of financial statements in conformity with IFRSs requires the use of certain critical accounting estimates and requires management to exercise its judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 4.

Adoption of new and revised IFRSs

During the current period the Company adopted all the new and revised International Financial Reporting Standards (IFRS) that are relevant to its operations and are effective for the current accounting period. This adoption did not have a material effect on the accounting policies of the Company.

At the date of approval of these financial statements, standards and interpretations were issued by the International Accounting Standards Board which were not yet effective. Some of them were adopted by the European Union and others not yet. The Board of Directors expects that the adoption of these financial reporting standards in future periods will not have a material effect on the financial statements of the Company.

NEU BG CENTRAL OFFICE LIMITED (former NEUIII PROPERTY HOLDINGS LTD)

2 Summary of significant accounting policies (continued)

Revenue recognition

Revenues earned by the Company are recognised on the following bases:

(i) Interest income

Interest income is recognised on a time proportion basis using the effective interest method.

(ii) Dividend income

Dividend income is recognised when the right to receive payment is established.

Foreign currency translation

(i) Functional and presentation currency

Items included in the Company's financial statements are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The financial statements are presented in Euro (€), which is the Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Current income tax

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Dividend distribution

Dividend distribution to the Company's shareholders is recognised as a liability in the Company's financial statements in the year in which the dividends are appropriately authorised and are no longer at the discretion of the Company. More specifically, interim dividends are recognised as a liability in the period in which these are authorised by the Board of Directors and in the case of final dividends, these are recognised in the period in which these are approved by the Company's shareholders.

NEU BG CENTRAL OFFICE LIMITED (former NEUIII PROPERTY HOLDINGS LTD)

2 Summary of significant accounting policies (continued)

Investments in subsidiaries

Subsidiaries are all entities, including special purpose entities, over which the Company has the power to govern the financial and operating policies generally accompanying a shareholding of more than one half of the voting rights. The Company carries the investments in subsidiaries at cost less any impairment in its separate financial statements.

Consolidated financial statements

The Company is a wholly owned subsidiary of Eurobank Ergasias S.A., a listed entity in Greece, and has used the exemption offered by IAS27 "Consolidated and Separate Financial Statements" paragraph 10 and did not prepare consolidated financial statements. Preparation of consolidated financial statements was not required due to the availability of the consolidated financial statements of Eurobank Ergarsias S.A. into which the results and financial position of the Company are consolidated. This is also in compliance with the Cyprus Companies Law Cap.113.

Impairment of non-financial assets

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to depreciation or amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units). Non-financial assets, other than goodwill, that have suffered an impairment are reviewed for possible reversal of the impairment at each reporting date.

Share capital

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Share premium is the amount by which the fair value of the consideration received exceeds the nominal value of the shares issued.

NEU BG CENTRAL OFFICE LIMITED (former NEUIII PROPERTY HOLDINGS LTD)

2 Summary of significant accounting policies (continued)

Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as interest expense.

Payables

Payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held with banks and bank overdrafts. In the balance sheet bank overdrafts are shown within borrowings in current liabilities.

3 Financial risk management

(i) Financial risk factors

The Company's activities expose it to a variety of financial risks: credit risk, market risk (including foreign exchange risk and interest rate risk) and liquidity risk.

The Company does not have a formal risk management policy programme. Instead the susceptibility of the Company to financial risks such as foreign exchange risk, interest rate risk, credit risk and liquidity risk is monitored as part of its daily management of the business.

- **Credit risk**

Credit risk arises when a failure by counterparties to discharge their obligations could reduce the amount of future cash inflows from financial assets on hand at the balance sheet date.

Credit risk arises from cash and cash equivalents and deposits with banks and financial institutions.

During the year ended 31 December 2013, the Company maintained balances with Eurobank Cyprus Ltd related banks.

NEU BG CENTRAL OFFICE LIMITED (former NEUIII PROPERTY HOLDINGS LTD)

3 Financial risk management (continued)

- **Market risk**

Foreign exchange risk

Foreign exchange risk is the risk that the value of financial assets will fluctuate due to change in foreign exchange rates.

Foreign exchange risk arises when future transactions and recognised assets and liabilities are denominated in a currency that is not the Company's functional currency. As at 31 December 2013 the Company did not have significant balances in foreign currency.

Management monitors the exchange rate fluctuations on a continuous basis and acts accordingly.

- **Interest rate risk**

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the value of a financial instrument will fluctuate because of changes in market interest rates.

Interest margins may increase as a result of such changes but may reduce or create losses in the event that unexpected adverse movements arise.

The Company is not exposed to any material interest rate risk.

- **Liquidity risk**

The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

	Less than 1 year 2013 €	Gross nominal outflow 2013 €	2012 €
Payables	4.760	4.760	4.720
At 31 December	4.760	4.760	4.720

(ii) Capital risk management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The capital as defined by management at 31 December 2013 and 31 December 2012 consists of equity as shown on the face of the balance sheet.

NEU BG CENTRAL OFFICE LIMITED (former NEUIII PROPERTY HOLDINGS LTD)

3 Financial risk management (continued)

(iii) Fair value estimation

The carrying values of payables are assumed to approximate their fair value.

4 Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

- **Impairment of investments in subsidiaries**

The Company follows the guidance of IAS 36 in determining whether an investment in subsidiary is impaired. This determination requires significant judgment. The Company assesses at the end of each reporting period whether there is an indication of impairment. If such an indication exists the Company estimates the recoverable amount of the investment.

- **Income taxes**

Significant judgment is required in determining the provision for income taxes. There are transactions and calculations for which the ultimate tax determination is uncertain during the ordinary course of business. The Company recognises liabilities for anticipated tax audit issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred income tax assets and liabilities in the period in which such determination is made.

NEU BG CENTRAL OFFICE LIMITED (former NEUIII PROPERTY HOLDINGS LTD)

6 Income tax

	2013	2012
	€	€
Income tax expense	-	-

The tax on the Company's results before tax differs from the theoretical amount that would arise using the applicable tax rate as follows:

	2013	2012
	€	€
Loss before tax	(225.952)	(5.500)
Tax calculated at the applicable corporation tax rate of 12,5% /(2012: 10%)	(28.244)	(550)
Tax effect of expenses and losses not deductible for tax purposes	25.565	-
Tax effect of tax losses	2.679	550
Income tax charge	-	-

The Company is subject to corporation tax on taxable profits at the rate of 12,5% (2012: 10%). During the year ended 31 December 2013, the Company was not subject to corporation tax as it incurred taxable losses.

Under certain conditions interest may be exempt from income tax and only subject to defence contribution at the rate of 10%. In such cases 50% of the same interest will be exempt from corporation tax thus having an effective tax rate burden of approximately 15%.

In certain cases dividends received from abroad may be subject to defence contribution at the rate of 20%. In certain cases dividends received from 1 January 2012 onwards from other Cyprus tax resident companies may also be subject to special contribution for defence.

Gains on disposal of qualifying titles (including shares, bonds, debentures, rights thereon etc.) are exempt from Cyprus income tax.

13 Related party transactions

The Company is controlled by NEU Property Holdings Limited, 100% subsidiary of Eurobank Ergasias S.A.Group., incorporated in Cyprus, which owns 100% of the Company's shares.

Following the successful completion of the recapitalization of the Eurobank Ergasias S.A. ('Eurobank') from the Hellenic Financial Stability Facility (HFSF) and the introduction of its new shares on the Athens Stock Exchange on June 19, 2013 the HFSF acquired 3,789,317,358 ordinary shares with voting rights issued by Eurobank, representing 98.56% of the ordinary voting shares. Following the issuance of 205,804,664 new ordinary shares in July, as resolved at the Annual General Meeting of the Shareholders on 27 June 2013, the percentage of the voting rights held in Eurobank by Hellenic Financial Stability Fund (HFSF) decreased to 93.55%. Following the share capital increase approved by the Extraordinary General Meeting of 26 August 2013, the percentage of the voting rights held by HFSF increased to 95.23%.

The Bank of Greece ('BoG'), following the assessment of Eurobank's capital needs, concluded on 6 March 2014 and notified Eurobank that its Core Tier I capital should increase by €2,945 million. Eurobank with its letter to BoG on 24 March 2014 submitted its capital enhancement plan whereby revised its capital actions providing for an additional positive impact on regulatory capital of € 81 million and stated that it intends to cover the remaining capital needs of €2.864 million through a share capital increase.

Following the completion of the Eurobank's share capital increase fully covered by private, institutional and other investors, the percentage of the ordinary shares with voting rights held by the HFSF decreased from 95.23% to 35.41%. In addition, in the context of the Law 3864/2010 (the 'HFSF Law') as amended by Law 4254/2014, the HFSF's voting rights in the Eurobank's General Assemblies have been switched to restricted ones. Accordingly, as of early May, the HFSF is no more the controlling shareholder of the Group but is considered to have significant influence over it. Therefore, the HFSF is considered to be a related party to the Group, whereas Greek Banks significantly influenced by HFSF, within the context of the Greek Banks' recapitalization, are not regarded as such.
