Products and Services

Mortgage loans for non-residents

Fast track mortgage application.

Choose between a fixed or floating rate.

Apply remotely through v-Banking, email or a Greek established proxy lawyer.

To buy, renovate or build a property in Greece, you may take out a floating-rate mortgage loan and enjoy discounts off your rate. Alternatively, you may opt for a fixed-rate mortgage loan so you can accurately calculate your finances for the entire loan term. Our representative guides you right from the beginning and through every step of the process.
