## PRESS RELEASE

### **New awards for Eurobank's Securities Services**

Eurobank is honored with **two important distinctions** as it has been named “**Best Sub-Custodian Bank in Greece 2021**”, by the by the internationally renowned **Global Finance Magazine**, and “**Outstanding Performer, Southern Europe 2020**” by the **Global Custodian Magazine**, a point of reference in this industry.

**Global Finance** has named Eurobank “**Best Sub-Custodian Bank in Greece**” **fifteen (15) times since 2006**, with this year's distinction being the **sixth (6<sup>th</sup>) in a row**.

This consistency highlights the Bank's successful strategy in providing innovative and high quality post- trading services to **institutional and private** clients, breaking ground among **local and foreign** peers in the Greek market.

Each year, **Global Finance's editorial board** seeks for the best performers in this field among banks, taking into consideration a series of criteria, such as customer relations, quality of service, technology platforms, ability to respond quickly to a series of regulatory changes, creation of innovative products & services and knowledge of local regulations and practices.

Eurobank was also named “**Outstanding Performer, Southern Europe 2020**”, in the context of the “**Agent Banks in Emerging Markets Survey**” conducted by the **Global Custodian Magazine**, achieving another important distinction that highlights its services' excellence. This was due to the high score Eurobank achieved for the services provided to the Greek market, following a survey among an important number of clients, globally, over performing against other important peers in Southern Europe.

**Mr. Eleftherios Vlachogiannis, Assistant General Manager and Head of Global Transaction Banking at Eurobank** said: *“This year's awards are of special importance as they refer to a period of unprecedented difficulties, due to the pandemic crisis, increased requirements, strong client demand and transactional activity. Both distinctions are a vote of confidence, by internationally renowned bodies, in our business model, which is based on our deep knowledge of the market and on providing, comprehensive, flexible and innovative client centric solutions.”*

The new distinctions reaffirm the high degree of safety, transparency and effectiveness, characteristics of Eurobank's services, while they exhibit the competence of the highly experienced and qualified personnel in the Bank's Securities Services Sector, under Mr. **Konstantinos Lapas**.

Eurobank, offers the most complete spectrum of post-trading services in the Greek market - **Clearing, Custody, Asset Servicing & Fund Administration**-, to institutional and private clients. It also offers Custody services for an important number of foreign markets, as well as, services to companies and issuers at the Athens Stock Exchange, bond issue management and stock exchange services.\_
