## PRESS RELEASE

### Eurobank | New distinctions for Eurobank's Securities Services

Eurobank is honored with new important, global, distinctions as it has been named **Best Sub-Custodian Bank 2022 in Greece and Cyprus** by the internationally renowned **Global Finance** magazine and **Agent Bank of the Year, Emerging Markets** by the **Global Custodian** magazine, which is point of reference for the specific industry.

Global Finance has named Eurobank as Best Sub- Custodian Bank in **Greece sixteen (16) times since 2006**, highlighting the high quality of services the Bank offers to the Greek but also to the Cypriot market. This consistency affirms the Bank's successful strategy in **providing innovative and high-quality post- trading services to institutional and private clients**, in **Greece and abroad**.

Each year, **Global Finance's editorial board** seeks for the best performers in this field among banks, taking into consideration a series of criteria, such as customer relations, quality of service, technology platforms, ability to respond quickly to a series of regulatory changes, creation of innovative products & services as well as knowledge of local regulations and practices.

**Eurobank** was also named **Agent Bank of the Year, Emerging Markets**, in the context of the "**Leaders in Custody Awards**" conducted in London by the **Global Custodian Magazine**, achieving another important distinction that highlights the excellence of its services'. The specific distinction is the highest awarded by the magazine and Eurobank was selected due to the high score it achieved for its services, overperforming against local and foreign peers, following a survey among an important number of institutional clients.

Eurobank, offers the most complete spectrum of post-trading services in the Greek market -**Clearing, Custody, Asset Servicing & Fund Administration**-, to institutional and private clients. It also offers Custody services in Greece, Cyprus and other foreign markets, to private and institutional clients, local and foreign, as well as services to companies and issuers at the Athens Stock Exchange, bond issue management and stock exchange services.
