

PRESS RELEASE

New distinctions for Eurobank's Securities Services

Eurobank is honored with new important, global distinctions as it has been named **Best Sub-Custodian Bank 2023 in Greece & Cyprus** by the internationally renowned **Global Finance** magazine and **Broker Dealers' Choice, Emerging Markets** by the **Global Custodian** magazine which is a point of reference for the specific industry.

Global Finance has named **Eurobank** as **Best Sub-Custodian Bank in Greece** seventeen (17) times since 2006, underlining the high quality of services the Bank offers to the Greek and Cypriot markets. This consistency affirms the Bank's successful strategy in providing **innovative, high-quality post-trading services** to institutional and private clients in Greece and abroad.

Each year **Global Finance's** editorial board seeks for the best performers in this field among banks, taking into consideration a series of criteria such as customer relations, quality of services, technology platforms, competitive pricing, ability to respond quickly to a series of regulatory changes, creation of innovative products & services as well as knowledge of local regulations and practices.

Eurobank was also named **Broker Dealers' Choice, Emerging Markets** in the context of the "**Leaders in Custody Awards**" conducted in London by the **Global Custodian** magazine. This distinction, which establishes the Bank among the leading providers of post-transaction services, was the result of the high scores Eurobank achieved from a significant number of institutional clients, who ranked the Bank among domestic and foreign leading banks.

Eurobank offers complete spectrum of post – trading services in the Greek market -**Clearing, Custody, Asset Servicing & Fund Administration**- to institutional and private customers in Greece and abroad. It also offers Custody services in Greece, Cyprus, and foreign markets, to private and institutional clients, local and foreign as well as services to companies and issuers listed on Athens Stock Exchange, bond issue management and registry services.
