The Capital Group Companies, Inc.			
Capital Research and Management Company*			

* *Subsidiary of «The Capital Group Companies, Inc.»*

CGC is the parent company of Capital Research and Management Company ("CRMC"). CRMC is a U.S.-based investment management company that manages the American Funds family of mutual funds. CRMC manages equity assets for various investment companies through three divisions, Capital Research Global Investors, Capital International Investors and Capital World Investors. CRMC in turn is the parent company of Capital Group International, Inc. ("CGII"), which in turn is the parent company of five investment management companies ("CGII management companies"): Capital Guardian Trust Company, Capital International, Inc., Capital International Limited, Capital International Sarl and Capital International K.K. The CGII management companies primarily serve as investment managers to institutional clients.

Neither CGC nor any of its affiliates own shares of Eurobank for its own accounts. Rather, the shares mentioned above are owned by funds and accounts under the discretionary investment management of one or more of the investment management companies described above.
