ADDITIONAL ANNOUNCEMENT

Distribution of non-mandatory reserves

Eurobank S.A. ("Eurobank" or the "Bank"), further to its announcement dated 18 November 2026 regarding the distribution of non-mandatory reserves (interim dividend) totalling €214,000,000 pursuant to Article 162(3) of Greek Law 4548/2018, corresponding to an initial gross amount of €0.05928 per share before the adjustment for treasury shares and the deduction of withholding tax, announces that, as a result of the 37.752.098 treasury shares that are not entitled to receive a dividend, the final gross interim dividend amount is €0.05991 per share.

The distribution will be made from the "Dividend Reserve" account, which is a non-mandatory reserve included in "Special Reserves" in Eurobank's financial statements. Under Article 64 of Greek Law 4172/2013, as amended and in force, the final gross amount is subject to dividend withholding tax at a rate of 5%, subject to any applicable exemptions or different withholding rates for shareholders covered by special provisions.

Accordingly, following the above withholding, the final net interim dividend amount is €0.05691 per share, subject to the aforementioned tax exemptions or variations.
