

The Team

The **Global Investment Advisory Division** with its team of six experienced professionals, brings together more than 70 years of combined global market and academic experience, in Greece, the US and the UK, spanning strategy, portfolio management and trading in foreign exchange, fixed income, equity and local currency markets, both in cash and derivative instruments.

It is the only comprehensive cross-asset investment strategy team in Greece.

This team offers a significant competitive advantage to the Eurobank Group relative to its peers, servicing institutional clients' individual requests and construction portfolio proposals.

The Division Members, are:

- **Christos Elafros**, Group Chief Investment Officer, Eurobank Asset Management MFMC
- **Platon Chaldeos**, Group Chief Investment Officer Fixed Income, Eurobank Asset Management MFMC
- **Christos Tsenes**, Global Investment Advisory, Eurobank Asset Management MFMC
- **Pepi Tataki**, Global Investment Advisory, Eurobank Asset Management MFMC
- **Michael Lambrianos**, Chief Economic Strategist, Eurobank Asset Management MFMC
- **Dr. Dimitrios Thomakos**, External Advisor Quants
